SIR,

I have the honour to state that M V Jagannatham Naidu, Vaccinator attained the age of superanuation on 1-7-1946 Against the sanctioned scale of seven vaccinators in the Municipality, only four vaccinators are working (owing to paucity of suitable candidates) with the result that the vaccination work is suffering very much and the mass vaccination is being attended to by the Assistant Sanitary Inspectors As the services of vaccinators are badly required it is recommended by the Health Officer that the services of Jagannatham Naidu may be extended by six months in the first instance from 1-7-1946 The Director of Public Health who was addressed in the matter has replied that action may independently be taken in this office In enclosing herewith copies of the Health Officer's report dated 12-7-1946 and letter dated 16-9-1946 from the Director of Public Health together with the Service Register of the official, I request that sanction of Government may kindly be obtained for the extension of the services of M V Jagannatham Naidu by six months from 1-7-1946

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner
